Welcome Letter

Thank you for taking the time to visit My World Child Care Center and Montessori. We are honored that you are considering our school as a partner in your child's early learning journey.

Choosing a childcare center or preschool is one of the most important decisions a family can make, and we appreciate the opportunity to introduce you to our school community. During your tour, we hope you experienced the warm, nurturing, and engaging environment that has helped children and families thrive at our center since 2012.

For more than a decade, My World Child Care Center and Montessori has proudly served families in Avenel, Woodbridge Township, and surrounding communities by providing high-quality childcare, preschool, and Montessori-inspired early childhood education. Our goal is to create a safe, caring, and enriching environment where children develop confidence, independence, curiosity, and a lifelong love of learning.

One of our greatest strengths is our dedicated and experienced teaching team. Many of our teachers have been with us for years and bring a wealth of knowledge, compassion, and commitment to the classroom each day. Their experience, combined with a genuine love for children, helps create a stable and nurturing environment where children feel secure, respected, and encouraged to reach their fullest potential.

At My World Child Care Center and Montessori, we believe that strong partnerships between families, educators, and the community are essential to a child's success. Through open communication, individualized attention, and meaningful learning experiences, we strive to provide every child with a positive foundation for future academic and personal growth.

Whether you are seeking infant care, toddler care, preschool, pre-kindergarten, kindergarten or before and after school care, our mission remains the same: to provide a safe, supportive, and engaging environment where children can learn, grow, and flourish.

Thank you again for visiting us today. We sincerely appreciate your interest in our programs and would be delighted to welcome your family into the My World Child Care Center and Montessori community.

Warm Regards,

Manisha Chaudhary

Director

Nurturing Independence, Creativity and Kindergarten Readiness

Meet the Director

Welcome to My World Child Care Center and Montessori.

My name is Manisha Chaudhary, and I founded My World Child Care Center and Montessori in 2011 with the vision of creating a nurturing, educational, and family-centered environment where children can thrive academically, socially, and emotionally.

My professional background combines education, business management, curriculum development, and school leadership. I hold a Master's Degree in Business Administration, Montessori Early Childhood Teacher Training credentials, and have worked in educational leadership roles for more than two decades. Prior to opening My World Montessori, I served in curriculum development and administrative positions within private educational institutions and later owned and managed a national learning center franchise.

At My World Montessori, I continue to remain actively involved in the daily operation of the school. I personally oversee program development, curriculum planning, staff training, family communication, enrollment, and classroom instruction. I also serve as a classroom teacher within our Early Childhood Program, allowing me to remain directly connected to the children and families we serve.

One of the accomplishments I am most proud of is the stability and dedication of our teaching team. Several members of our staff, including Ms. Noor, Ms. Shikha, Ms. Donna, and Ms. Paolina, have been part of our school community for more than ten years. Their experience and commitment help create the consistent, caring, and family-like environment that our families value.

Since opening our doors, we have been privileged to serve hundreds of children and families throughout Avenel, Colonia, Iselin, Rahway, Woodbridge Township, and surrounding communities. Many former students continue to visit us years later, and many friendships formed at My World have continued well beyond preschool.

My philosophy is simple: every child deserves to feel safe, loved, respected, and inspired to learn. By working closely with families and maintaining high expectations for both ourselves and our students, we strive to create a positive foundation for lifelong success.

What Makes My World Unique?

Since 2012, My World Child Care Center and Montessori has provided a nurturing, educational, and family-centered environment where children develop the skills and confidence needed for lifelong success.

We believe that quality early childhood education goes beyond academics. Our goal is to support the development of the whole child by fostering independence, creativity, curiosity, social-emotional growth, and a genuine love of learning.

Experienced and Dedicated Teaching Team

Our greatest strength is our team of experienced educators. Many of our teachers have been with us for years and bring a wealth of knowledge, consistency, and genuine care to the classroom. Through strong relationships and individualized attention, our teachers create an environment where children feel safe, respected, and encouraged to reach their full potential.

Montessori-Inspired Learning

Our Montessori-inspired classrooms encourage children to learn through hands-on exploration, purposeful activities, and meaningful experiences. Children are given opportunities to work independently, develop concentration, solve problems, and build confidence while progressing at their own pace.

Language Enrichment

Children are introduced to **American Sign Language (ASL)** through songs, stories, classroom routines, and interactive activities. ASL supports communication, language development, memory, and self-expression.

In addition, several members of our teaching team are bilingual Spanish speakers who naturally incorporate Spanish vocabulary, songs, greetings, colors, numbers, and conversational phrases into the classroom throughout the day. These experiences help children develop an appreciation for language diversity and different cultures.

Community Partnership with Colonia Pediatrics

We are proud to maintain a longstanding relationship with **Colonia Pediatrics**, a trusted pediatric practice serving local families.

As part of this partnership, Dr. Chaudhary periodically visits our classrooms to participate in educational activities with the children. During these visits, she joins morning circle time, reads

stories, discusses healthy habits, introduces children to basic healthcare concepts, and answers their questions in an age-appropriate manner.

Children especially enjoy listening to their heartbeats through her stethoscope and learning about how their bodies work through hands-on experiences. These visits help children develop comfort with healthcare professionals while fostering curiosity about health, wellness, and self-care.

Strong Family Partnerships

We believe that parents and teachers are partners in a child's education. Through open communication, daily updates, family events, and collaborative goal-setting, we strive to build lasting relationships with the families we serve.

A Community That Grows Together

At My World Child Care Center and Montessori, we believe that children thrive when they feel connected to their classmates, teachers, and families within their school community. One of our primary goals is to help children develop meaningful friendships, social confidence, and a sense of belonging.

Throughout the year, children participate in a variety of collaborative learning experiences, group projects, classroom celebrations, outdoor activities, and special events that encourage teamwork, communication, and positive social interactions.

Our commitment to community extends beyond the classroom. Families have opportunities to connect with one another through classroom events, holiday celebrations, birthday recognitions, family gatherings, and our annual Moving Up and Graduation Ceremony. Parents in our Wise Owl Classroom (ages 4–6) are connected through a classroom communication group, helping families stay informed and build relationships with one another throughout the school year.

A unique aspect of our program is that many children remain in the Wise Owl Classroom for two years, attending as both four-year-olds and five-year-olds before transitioning to kindergarten. This extended time together allows children to develop deeper friendships, stronger social skills, and lasting memories. It also provides families with the opportunity to build meaningful relationships and a supportive network within our school community.

What Our Families Say

At My World Child Care Center and Montessori, nothing means more to us than the trust families place in our care. We are honored to partner with parents during some of the most important years of their children's development. Here are a few words shared by families who have been part of our school community.

"Thank you so much for caring, teaching, and helping Bella grow this year. We feel really lucky to have found your school. This has been Bella's home for the past three years, and she is so sad to leave for next year. She loves school so much and has learned so much here. Thank you for everything you do and continue to do."

— **Ashley & Al, Parents of Bella and Cai**

"Thank you for all you do. We see the growth in Arden and truly appreciate everything."

— **Maura & Aneil, Parents of Arden**

"Our daughter had a wonderful experience at My World Montessori. From the moment she started, the staff made her feel welcome, safe, and loved. The teachers, especially Ms. Angie and Ms. Donna, were amazing—always patient, kind, and dedicated to helping her learn. We are grateful for the positive impact My World Montessori had on our daughter."

— **Jaya Sri, Parent of Adira**

"We cannot thank you enough for being such an instrumental part of Kirin's growth and early educational development. You'll always have a place in our hearts."

— **Parents of Kirin**
